

**A Roman Imperial yellow jasper intaglio. Gryllos.**

Circa: 2nd century A.D.

Yellow jasper.

1.9 x 1.4 x 0.3 cm (0 <sup>3</sup>/<sub>4</sub> x 0 <sup>1</sup>/<sub>2</sub> x 0 <sup>1</sup>/<sub>8</sub> inches)

Roman art, 2nd century A.D.

The scene shows an hybrid sea-creature formed with Okeanos head (God of oceans) and a fish body/tail.

Wear marks.

*Probably a magical stone linked to the mysteries of the sea world.*
