

A fine Georgian Blackmoore gold brooch with diamonds and an agate cameo.

Cameo: H. 2.8 cm (1 1/8 inches)

Total weight 4,43 gr

Cameo from 1780 circa

Mounting: 1820-1830

Frontal bust of blackmoore, featuring a partially bald skull and an elaborate V-neck dress, which masterfully follows the natural grain of the stone. The frame follows the shape of the

Cameo with old cut diamonds, forming a sort of crown on his head.

Excellent state of preservation.
